MORE

Built for the Way You Work

At Lumber Plus, ***we don't stand still.***

Every decision we make—from what we stock to who we partner with how we deliver, is focused on one thing: helping professionals build without friction.

We're investing heavily in inventory, brands, partnerships, and nationwide reach because the people who build deserve more than limited options and long wait times. Our goal is simple: to be your one-stop shop without ever compromising quality or availability.

This catalog reflects where we're headed and what we believe in.

Guto Fujiwara
President, Lumber Plus

Wood, at a Scale You **Won't Find Anywhere Else**

One of the largest inventories of premium wood in the U.S., with containers arriving daily. More species, more dimensions, more availability—and materials you won't find elsewhere.

The Brands **Professionals Rely On**

Complete, in-house assortments from brands like Milwaukee, DeWalt, and Stabila. Built to serve real job sites, not just shelves.

Built Around **Professional Partnerships**

We're strengthening partnerships through events, education, and closer collaboration. Focused on long-term relationships with the people who build for a living.

Nationwide Reach, **Local Reliability**

Multiple branches across the country and a growing delivery network. The materials you need, where you need them, when timing matters.

The One-Stop Shop for Every Build

At Lumber Plus, we make it simple for contractors to get what they need — when they need it. From decking and railing to siding, trim, and beyond, we stock the brands professionals trust.

One partner, one stop, every solution to keep your projects moving and your customers satisfied.

Big Brands. Big Builds.

From high-performance screws to ultra-durable impact bits, every detail is designed to elevate your work to new heights of strength, confidence, and efficiency.

What We Carry:

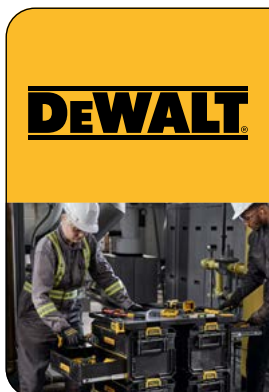

- Deck Screws
- Pedestal and Connectors
- Plug Cutter Heavy Duty
- Ship Auger Bit
- Brad Point
- Countersink
- Router Bits
- Circular Saw Blades
- Drive Bit and Accessories

Advanced cordless technology designed to maximize productivity. Innovative tools built for professionals who demand power and precision.

What We Carry:

- M18™ Cordless Power Tools
- M12™ Cordless Power Tools
- Circular Saws & Track Saw
- Power Tool Accessories
- Impact Drivers & Drill Drivers
- Hole Saws & Specialty Drilling
- Mechanical Tools
- Safety Tools

Industry-leading power tools built for performance and durability. Engineered to withstand demanding jobsite conditions with proven reliability.

What We Carry:

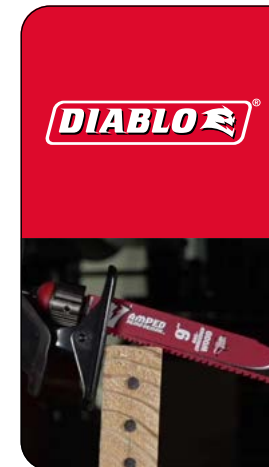

- 20V MAX & FLEXVOLT Tools
- Miter Saws & Table Saws
- Impact Drivers & Hammer Drills

Engineered structural solutions trusted on job sites worldwide. Built for strength, code compliance, and long-term durability.

What We Carry:

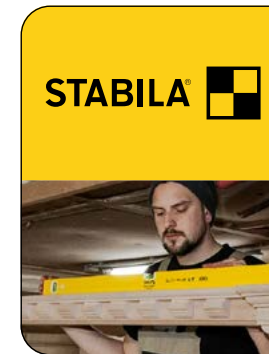

- Structural Connectors
- Post Bases & Caps
- Joist Hangers
- Structural Screws
- Anchoring Systems

High-performance cutting tools built for speed and precision. Designed to maximize productivity on demanding job sites.

What We Carry:

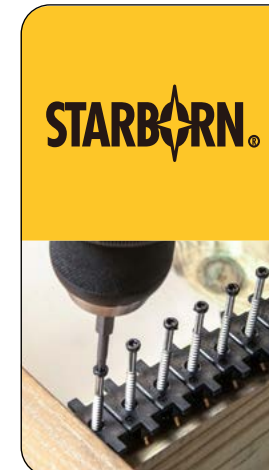

- Circular Saw Blades
- Framing & Finish Blades
- Carbide-Tipped Blades
- Sandpaper
- Hole Saws
- Router Bits

Precision measuring tools trusted by craftsmen worldwide. German-engineered accuracy built for flawless layout and alignment.

What We Carry:

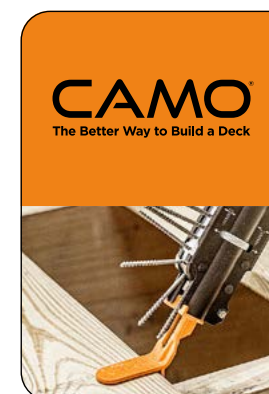

- Professional Box Levels
- Digital Levels
- Layout & Measuring Tools

Premium fastening systems designed specifically for decking professionals. Engineered for clean finishes, corrosion resistance, and long-term performance.

What We Carry:

- Hidden Deck Fasteners
- Stainless Steel Deck Screws
- Structural Wood Screws
- Color-Matched Composite Screws
- Fascia Fastening Systems

Hidden fastening innovation for flawless deck installations. Precision systems that deliver strength without visible hardware.

What We Carry:

- EDGE® Hidden Deck Clips
- WEDGE™ Stainless Clips
- Metal Joist Clips
- Edge Deck Screws (ProTech Coated & 316 Stainless)
